Appellant(s): FUHRMANN ET AL.0

**MAILED**

JAN 04 2005

**Technology Center 2600**

---

Stephen J. Wyse  
For Appellant

**EXAMINER'S SUPPLEMENTAL ANSWER**

1. This is in response to Appellants' Reply Brief filed 09/03/04.

**2. Status of Amendments After Final**

The appellant's statement of the status of amendments after final rejection contained in the brief is **correct**.

Note: The examiner would like to apology to the appellant for the typo made in the original Examiner Answer mailed on 06/30/04.

3. The examiner would also like to reiterate that **all the rejections** (pages 7-18 in Examiner Answer mailed on 06/30/04) are **ISSUES ON APPEAL**. All these rejections had been presented to appellant many times before, and appellant had presented argument on all the rejections before, therefore, none should be considered as a new ground of rejection.

Further, appellant had the opportunities to comment on all the rejections when filing the Appeal Brief on 04/01/04 and the Reply Brief on 09/03/04, and all the issues raised in the Appeal Brief and the Reply Brief had been addressed in the Examiner Answer dated on 06/30/04.
